

FORMAL REFERRAL PROMOTION - TERMS AND CONDITIONS

Thank you for referring other businesses to Pyranet UK Limited. As part of our formal referral promotion, we are proud to offer you a gift reward for every business who signs up on our standard or enhanced IT support contracts as a result of your referral. These gifts are given to you according to the following terms and conditions:

1. This formal referral promotion is in effect for all referrals to Pyranet UK Limited on and after October 20th, 2008.
2. In this promotion the following definitions shall apply: "**Referrer**" is the person who is recommending us to another business; and "**the lead**" is the person/company to whom the referrer is recommending us; and "**existing client**" is a business who is currently under an active IT support contract with Pyranet UK; and "**the promotion**" is the formal referral promotion.
3. The Referrer is an employee or director/owner of an existing client of Pyranet UK Limited, who submits details of the lead using our "Submit a Formal referral" form.
4. The lead must be a new client of Pyranet UK Limited, and must not already have an account under any other name or alias.
5. The details submitted for the lead must include a key decision maker within the lead's business.
6. The Referrer will only be entitled to the gift reward if the lead signs up to either our "Standard IT Support Contract" or our "Enhanced IT Support Contract" (with a minimum spend of £600 + VAT per year or £50 + VAT per month), within 3 months of the submission of details via our "Submit a Formal referral" form.
7. The reward gift can be up to the value of one month of the lead's new IT support contact.
